

### **SECTION 6 – HEALTH HAZARDS (CONT.):**

Medical Conditions Generally Aggravated By Exposure: Independent lab testing determined anti-foam may be considered a non-primary skin irritant, non-comedogenic, and not be a dermal contact sensitizer.

Chemical Listed as Carcinogen:

National Toxicology Program: N/A

IARC Monographs: N/A

OSHA: N/A

Routes of Entry:

Inhalation: Remove to fresh air. Provide oxygen if breathing is difficult. Call physician.

Eyes: Flush with flowing water for at least 15 minutes with eyelids open.

Ingestion: Drink several glasses of water. If vomiting occurs, hold head below hips. Call physician.

### **SECTION 7 – SPECIAL PRECAUTIONS AND SPILL/LEAK PROCEDURES**

Precautions to be Taken in Handling & Storage: Do not expose containers to heat. If heated, cool down to prevent vapor pressure buildup.

Other Precautions: Keep containers closed.

Steps to be Taken in Case Material is Released or Spilled: Soak up with absorbent and transfer to containers for disposal.

Waste Disposal Methods: Consult Federal, State and Local regulations. Land fill in an approved waste management site or incinerate in accordance with Federal, State and Local laws and regulations.

### **SECTION 8 – SPECIAL PROTECTION INFORMATION/CONTROL MEASURES**

Respiratory Protection: N/A

Protective Gloves: N/A

Eye Protection: N/A

Other Protective Clothing or Equipment: N/A

Work/Hygienic Practices: N/A
