

**CONCENTRATED – TREATS UP TO 125 GALLONS**

# **Marine Ethanol/ Gas Formula**

## **WITH XP-100**

**NEW**

**Specifically Formulated For All Gasoline And All  
Ethanol Gasoline Blends Including E-85**

Marine Ethanol/Gas Formula is the finest fuel additive for Ethanol and Gasoline blends on the market today. This formula is unlike all other gasoline additive products. It contains 100% active ingredients and provides multi-functional benefits to improve engine performance and save you money.

Marine Ethanol/Gas Formula can be used in all Marine gasoline engines and does not invalidate manufacturer's warranties.

Marine Ethanol/Gas Formula contains the most potent Octane booster on the market today and will increase Octane up to 10 points or more.

FPPF's Marine Ethanol/Gas Formula helps prevent all the potential problems associated with ethanol and gas/ethanol blends. These problems include excessive filter plugging, water accumulation in the fuel tank, fuel deterioration and aging, tank corrosion and ethanol/gasoline/water fuel phasing and separation.

This product is the result of extensive R&D and the latest cutting-edge advancements in chemical fuel additive technology from around the world. FPPF's Marine Ethanol/Gas Formula contains 100% active ingredients.

### **Product Benefits**

- Totally absorbs water in all gasoline, ethanol/gasoline blends
- Controls the buildup of varnish, gum, and sludge in the entire fuel system
- Prevents corrosion in all fuels including ethanol and ethanol/gasoline blends
- Cleans fuel injectors and the entire fuel system
- Stabilizes fuel and reduces fuel oxidation
- Helps to reduce potential fuel/water phasing
- Improves fuel mileage in all vehicles using ethanol, gasoline, and/or ethanol/gasoline blends
- Reduces emissions and helps engine pollution control systems operate properly
- Increases engine efficiency and power
- Can be used in all gasoline engines including automotive, marine, gas heavy duty, and gasoline generators
- Comes in an easy to use bottle
- Great value and convenience!

**Recommended for all gasoline and ethanol blends including E-85**

***Saves you money  
and protects your  
engine better than  
any product on  
the market***

# MARINE ETHANOL/GAS TREATMENT

## Product Data Sheet

**Saves you money and prolongs the life of your engine.**

**FPPF MARINE ETHANOL/GAS Treatment will not harm electronic fuel injection systems or engine sensors**

### DIRECTIONS FOR USE:

Add directly to fuel tank prior to filling to allow for proper mixing. Use as directed on the label.

### PRODUCT CHARACTERISTICS:

Consult MSDS for specific information.

### Packaging:

Part #	Description	Treats up to	Qty/Case	Case Weight
90162	16 ounce bottle	125 gallons	12	12 lbs.
00169P	5 gallon pail	5000 gallons	1	45 lbs.
00171	55 gallon drum	55,000 gallons	1	490 lbs.

**SATISFACTION GUARANTEED OR YOUR MONEY BACK.**
